PRESS RELEASE / 20 November 2026

LV Gospel Project release their first album of original songs

Chapter 1 — Mystery & Majesty is out now, released on 20 November 2026. Live at Teatro Fraschini in Pavia on 27 November, with artistic interpretation of the songs into Italian Sign Language.

Chapter 1 — Mystery & Majesty, LV Gospel Project's first album of original songs, was released on 20 November 2026. Fourteen tracks in English for choir, soloists and band were composed, written and arranged by Francesco Maria Gabriele Mocchi. The album opens a recording trilogy and follows the announcement of the agreement with La Gloria on 18 November.

The music draws on contemporary gospel, soul, R&B and pop, with the funk of Joyful Noise alongside expansive choral ballads. The Creed and Our Father appear on the same record. The singles Mystery & Majesty, With You and Joyful Noise preceded the album.

The agreement with La Gloria includes Chapter 1 — Mystery & Majesty, Carol of the Bells and the complete earlier catalogues of LV Gospel Project and the Corale Universitaria Lorenzo Valla. Based in Pavia, the project took shape in 2013 from the Corale Valla. Today it brings together 32 singers and eight musicians under the artistic direction of Francesco Maria Gabriele Mocchi.

The ensemble will present the album at Teatro Fraschini in Pavia on 27 November at 9 pm. As the artists sing, Italian translations of the lyrics will be projected behind them and interpreters will translate the songs live into Italian Sign Language (LIS). The concert launches the Gospel senza barriere pilot project, in collaboration with ENS Lombardia, CLAP Cooperativa Sociale and Anffas Pavia.

The event is co-organised by LV Music & Arts APS ETS and the Fabbriceria della Cattedrale di Pavia, with contributions from Regione Lombardia and Fondazione LGH. All ticket proceeds will be donated to the Fabbriceria to help renew the Cathedral's flooring.

On 14 November, LV Gospel Project performed at Palazzo Giureconsulti in Milan for Il Tempo della Salute, organised by Corriere della Sera. The event, curated by Maria Giovanna Faiella, combined Francesco Mocchi's personal account and a concert by the ensemble. The interview and recording are available on the Corriere's channels.
